SUMMARY

Experienced Flutter developer with a passion for creating high-quality mobile applications. Skilled in developing user-friendly interfaces, implementing complex features, and optimizing app performance. Strong problem-solving abilities and a proven track record of delivering robust and scalable Flutter projects. Ready to take on new challenges and contribute to the success of your development team.

PROFESSIONAL EXPERIENCE

Asian School of Management and Technology

Jul 2024 - Present

Instructor

During my tenure, I taught **web development** to BSc.CSIT 2nd semester, a **scripting language** (JavaScript, PHP) to BCA 4th semester, and **Mobile Programming** (Android Development) using Java to BCA 6th semester.

Eydean Inc.

Jan 2024 - Oct 2024

Flutter Developer

Using my skills as a Flutter developer in ERP and fintech, I improved business requirement processes, reducing project delivery time. Additionally, I enhanced transparency with a reporting framework and am learning JavaScript to stay updated on technology.

St.Lawrence College

Jul 2023 - Feb 2024

Web Development Instructor

During my period, I taught **web development** to BCA 2nd and BSc.CSIT 1st semester students, focusing on developing websites using **HTML, CSS, Bootstrap, and JavaScript**.

Whive IT Professionals

May 2023 - Sep 2023

Flutter Developer Intern

During my internship, I developed several apps, such as an HR app, a job-finding app, and an ecommerce app, all created with Flutter.
